ARTICLE 3 RADIO TOUR (RACE RADIO)

The Radio Tour frequency will be communicated during the team managers' meetings.

ARTICLE 4 NEUTRAL SERVICE

Neutral service will be provided by SHIMANO. The neutral service arrangements are described in the special regulations for each race.

ARTICLE 5 TRANSPONDERS AND GPS

TRANSPONDERS

Transponders will be distributed together with race numbers and recovered by Swiss Timing once the riders have crossed the finish line.

GPS

GPS holders are to be fixed under the bicycle saddle for road races and will be distributed together with race numbers. The GPS units will be issued at the rider sign-on before the start of each event and recovered by Swiss Timing once the riders have crossed the finish line. If a rider does not cross the finish line, the transponder and GPS equipment must be returned directly to Swiss Timing at the timekeeping cabin at the finish line. UCI Teams and National Federations will be invoiced for any equipment that is not returned to Swiss Timing (€100 for a transponder and €500 for a GPS unit).

ARTICLE 6 ANTI-DOPING

The UCI Anti-Doping Rules apply in their entirety. Furthermore, the anti-doping legislation of Qatar applies in accordance with the prevailing national laws.

The doping control for each race will be located in the temporary accommodation behind the mixed zone, 350 m after the finish line.

ARTICLE 7 PENALTIES

The UCI scale of penalties will solely apply.

It is compulsory for all riders to wear their national team clothing (identical jersey and shorts for all riders) (except in UCI Team Time Trials).

World, Continental and National Champions must wear national team clothing that does not feature any distinctive bands on the sleeves or shorts (except in UCI Team Time Trials).

Furthermore, as the World title is at stake, it is strictly forbidden for any rider to use not only the World Champion's jersey but also rainbow bands on a bicycle or clothing during the UCI Road World Championships (including UCI Team Time Trials).

The sport directors of national teams must submit their national jersey and shorts to the Commissaires' Panel for approval during the confirmation of starters. They must describe the panels on the clothing approved by the National Federation for the use of each rider's sponsors.

ARTICLE 9 PODIUM CEREMONIES

All podium ceremonies will take place on the podium located 200m down the finishing straight from the finish line. The organisation will provide an escort to guide the riders to the podium ceremony area without delay.

The World Champion and the second and third-placed riders must present themselves for the podium ceremony within 10 minutes of the finish of the event. This requirement also applies to the World Champion team, and second and third-placed teams, in the UCI Team Time Trials.

Riders must present themselves in race clothing, wearing their national jersey (or trade team jersey for Team Time Trials) and shall not wear a helmet, headband or glasses until they leave the podium ceremony area.

ARTICLE 10 DISTRIBUTION OF COMMUNIQUÉS

Communiqués will be available at www.uci.ch after each race.

Teams may also collect printed versions of the communiqués at race headquarters at the end of the day. There will be no distribution to team hotels.

ARTICLE 11 NATION RANKING

The ranking by nations for the UCI World Championships is calculated by adding the points scored by a nation in the individual time trial and road race events of each category based on the points scale below:
